BAPTISM

APOSTLES' CREED

I believe in God, the Father Almighty, the Creator of heaven and earth.

And in Jesus Christ, his only Son, our Lord; who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended to the dead. The third day He rose again from the dead. He ascended into heaven and sits at the right hand of God the Father Almighty, whence he shall come to judge the living and the dead.

I believe in the Holy Spirit, the holy universal Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.

BAPTISM JOY TODAY

We give thanks to God as we witness the baptism and receive into membership those listed below. Each one has written a testimony, sharing how they were lost but found through the saving grace of Jesus Christ. Read their stories [here](#). Let our hearts be glad and give glory to God. CHURCH COMMUNITY

KEEP PRAYING FOR PR. STEPHEN TANG

From Anit CMO, an update on Pr. Tang's condition as of Thursday, July 18, 2024:

Praise the Lord, He gives us eyes to see, ears to hear, mouth to eat, voice to sing, hands to feel, and feet to walk. Now, we pray for God's mercy on Pr. Tang to revitalize his eyes, ears, mouth, voice, hands and feet to function as God created.

Thanks to all your prayers:

1. Pastor Tang's vital signs were in normal ranges, his kidney, liver, and lung functions were good, and per his Chinese doctor, his body strength showed little improvement.
2. Mrs. Tang had a fluid imbalance in her ears for two days, but it was resolved without medication.

Prayer requests:

1. With acupuncture, increased nutritional milk intake, and other therapeutic measures, Pr. Tang's health and immune system will continue to improve.
2. He will breathe on his own without the breathing machine, his brain function will improve, and he will recover to the point that he may be transferred to a private hospital for better care.
3. His phlegm was cultured positive for bacteria, but his lungs were not infected yet. Pray that his infection will be under control and it will not progress to his lungs.
4. Mrs. Tang will have good sleep and continue to have great health.
5. The 3 sons do well on their own:
Josiah: searching for an apartment close to his hospital and planning his life as he's learning in the hospital.
Shalom: working, serving as a high school coach in the church, and managing the house on his own.
HimHim: Praise the Lord, he enjoys his study and life in Detroit.

Praise the Lord when our eyes can see, our ears can hear, our mouth can eat, our voice can sing, our hands can feel, and our feet can walk freely!

Thank you so much for your support and prayers!
