

ADULT—IDENTITY THEFT

Identity theft is not only a reality in the realm of personal information, it is also a spiritual reality. Jesus said, “The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly.” (John 10:10 ESV)

In these 8 sessions we will explore

- How our identity in Christ can be “stolen.”
- How our “stolen” identity can impact the way we view ourselves, our gifts, our resources, our work and relationships with others.
- How to reclaim our identity in Christ?
- What does it mean to have life and have it abundantly?

YOUTH—LIVING UNASHAMED

In this class, we will take a deep dive into the book of Daniel. As a teenager, Daniel and God's people were taken captive to a hostile, pagan empire. Instead of succumbing to the pressures of conforming to the Babylonian lifestyle, Daniel anchored his life in God's word and honored Him without shame. No matter what he faced, he never wavered from his conviction. Because of his faith, God used Daniel's life in powerful ways.. This book was written many years ago, but it is very applicable to us today. Daniel's character and courage in the face of an enticing culture are good examples for us to follow. When we stand firm on living these same principles, God will work in our lives, too.
